

include/order.hpp

```
graph TD; A[include/order.hpp] --> B[string]; A --> C[utility];
```

A diagram illustrating a C++ header file's include dependencies. At the top, a dark gray box labeled 'include/order.hpp' has two blue arrows pointing downwards to two light gray boxes: 'string' on the left and 'utility' on the right. This indicates that 'include/order.hpp' includes both 'string' and 'utility' headers.
